PRELIMINARY AMENDMENT

Dear Sirs:

Please preliminarily amend the above identified reissue application as follows.

IN THE SPECIFICATION:

Please amend the specification as follows:

In column 3, line 15, please rewrite the paragraph to read as below:

In a presently preferred embodiment of the invention, the EP device of the invention is in the form of a guidewire which has an elongated core member disposed within the device shaft. As referenced in Serial No. 443,657, filed May 18, 1995 (now U.S. Patent No. 5,699,796), which was incorporated herein in its entirety, the core
